County Cllr Smith thanked the Parish Council for their involvement in the installation of a bench seat he had purchased; the bench is on the County Council's grassed area off Bullpit Road.

No parking zone warning signs have been installed outside Chuter Ede primary School. The surface water drains in the vicinity of the Wolfit Avenue/Main Street junction will be replaced.

County Cllr Lee reported that the Southern Link Road will be completed by December 2024.

No vehicles had been found to exceed the speed limit on Rowan Way during the recent Day of Action, despite numerous reports of speeding along that road being made historically. He had been contacted by several residents concerned about the planning applications for a gypsy/traveller site at Chestnut Lodge on Barnby Road and a residential development on land off Lowfield Lane.

The planned resurfacing of Wilfred Avenue will be given priority when future major works are scheduled.

County Council officers do not consider that any road layout changes are necessary relating to school pupils crossing over the entrance to the Welcome Break Services (located in Fernwood parish) despite concerns raised by Parish Councillors.

4488 Highways Faults

The following faults/issues were raised for passing onto the relevant authority:

- 1. The village surface water drains are in need of routine jetting and clearance; County Councillors invited members to report to them any particular surface water drains that require attention.
- 2. Potholes on Rowan Way (these had already been reported to Cllr Lee).
- 3. The dog waste bin outside John Hunt School is in disrepair.

Balderton Parish Council

Minutes of the Planning Committee meeting held in the Village Centre on April 17th 2023 at 12:30pm

PRESENT

Councillors Mrs Hurst (Chairman), Mrs Brooks, Mrs Buxton and Mrs Lee with Cllr Allen, County Councillor Lee, one member of the public and the Clerk

The Chairman advised those present that the meeting was being recorded.

0641 Apologies

Apologies were received from Cllr Ms White (Vice Chairman).

0642 Declarations of Interest

Cllr Mrs Brooks and Ms Hurst, as serving members of Newark & Sherwood District Council, declared a personal interest to any issue relating to the District Council.

0643 Public Participation

The meeting was closed to take public comments and County & District Cllr Lee spoke regarding both his own concerns and County Council issues relating to the planning application for Change of use to gypsy/traveller site at Chestnut Lodge on Barnby Road.

A member of the public also spoke against the same planning application, informing that previous owners of the site had been refused permission to build there.

County Cllr Lee and the member of the public were thanked for their comments and the meeting re-opened.

0644 Planning Applications

The following planning applications were considered and objected to with the following comments:

22/01726/FULM Amended application for 88 dwellings Highfields School Members again objected to the application for the same material planning considerations as previously submitted, namely that the proposal is still considered to be over-intensive for the site and out of keeping with the style of properties which surround the school grounds. The additional traffic that this development will create coming out onto London Road is a concern, along with the entrance/exit being so close to the bridge. It would have an adverse impact on neighbouring properties caused by lack of privacy. There will be a loss of green space and mature trees, some of which are subject to Preservation Orders.

23/00058/FULM Change use to gypsy site & erect new dwelling Chestnut Lodge (amended plans) Barnby Road

Members were still concerned about a number of issues relating to the proposal, namely that it fails to provide a safe means for pedestrians and cyclists to link with footways or cycle tracks to the village amenities including schools.

Coddington Road (the most direct road into Balderton from the site) is a very busy, narrow road with no pavement or cycle track, nor does the only other alternative route into the village (Barnby Road).

The site falls within the open countryside and the proposed development is considered to be out of keeping, creating a detrimental impact upon neighbouring dwellings. Why is an additional dwelling even considered necessary as part of the proposal when the current owner/resident of Chestnut Lodge itself advises that he will manage the caravan site?

Chestnut Lodge is not a designated gypsy/traveller site and members would prefer alternative options to be explored; this Council has previously stated that the Bowbridge Lane Ironworks location is the preferred alternative.

The presence of the gas line running through the site still poses a safety concern should the site be developed further as proposed.

It is understood that the question of child places for school allocations from the site is still awaited from the County Council, and notwithstanding the objections to the proposal, members suggested that the application at least be deferred until the outcome of this is known.

The following planning applications were considered and approved: 23/00552/HOUSE Single storey extn. to front & rear elevations 86A Main Street 23/00556/HOUSE Two storey extn. to side & rear, new gates 88 Main Street

0645 Planning Decision

The following application has been granted planning approval by the District Council and was noted:

00110 Replace conservatory roof with red clay pantiles

77 Main Street

The following application has been refused by the District Council and was noted: 00400 Demolish outbuilding, erect commercial building 33 Main Street

0646 Correspondence/Information

The following items of correspondence/information have been received and were noted:

- 1. A meeting of the District Council planning committee meeting is scheduled to take place on Thursday April 20th where the application for Chestnut Lodge as discussed earlier, is scheduled for consideration. Cllr Mrs Lee had offered to attend and speak at the meeting.
- Following receipt of a government consultation paper on proposed changes to the Infrastructure Levy, members asked that enquiries be made with the District Council to ascertain if someone was available to address them about this subject before a response is considered.

The meeting was closed at approximately 1.15pm

Balderton Parish Council

Minutes of the Amenities Committee meeting held in the Village Centre on Wednesday April 26th 2023 at 6.30pm

PRESENT

Councillors Allen (Chairman) Mrs Brooks (Vice Chairman), Mrs Buxton, Fairbairn, Green, Mrs Hurst, Mrs Lee, Mallard, Mrs Newstead, Newstead, Roberts M.B.E and Ms White

with sixteen members of the public, Head Groundsman Mr Brown, PC Bryn Hope & PC Anthea Brotheridge, the Clerk, Deputy Clerk and Clerical Assistant.

The Chairman advised all present that the meeting was being recorded.

3499 Apologies

Apologies were received from Cllrs Gloster and Lynch.

3500 Declarations of Interest

Cllrs Mrs Brooks, Mrs Hurst and Ms White, as serving members of Newark & Sherwood District Council, declared a personal interest to any District Council issue. Cllrs Allen, Mrs Brooks, Mrs Hurst, Green, Mrs Lee and Mallard, as dog owners who use the field, declared a personal interest to minute reference 3507.

3501 Public Participation

The meeting was closed to take public comments regarding scheduled agenda items: One resident congratulated Head Groundsman Mr Brown for his 40 years of service and thanked all the Councillors, Groundsmen and office staff for their hard work. The same resident also expressed a concern that all the recent littering was linked to the antisocial behaviour. One resident spoke against the 'Dogs on Leads' agenda item, suggesting that perhaps some improved signage about dog behaviour could be installed on the playing field.

The public were thanked for their comments and the meeting re-opened.

3502 Clerk/Chairman's Update

A printed update of ongoing issues was circulated and noted; the update is published with the minutes. The following issues were discussed from the update:

- 1. Re Minute 3477.2 Littering Feedback and statistics were read out from the recent Day of Action provided by the District Council.
- 2. **Re Minute 3491 Millennium Clock** The clock's repair work has been ordered and members re-iterated a previous suggestion that a plaque should be installed on the pillar to mark the King's Coronation.

3503 Anti-Social Behaviour Heron Way Car Park

The Chairman, with members support, altered the order of the published agenda to take this item next. The meeting was then again closed for the Police officers to address members. The local beat time do patrol the area whenever possible but very few reports of anti-social behaviour in that vicinity have been made to the Police so once again residents were urged to report all incidents as they occur. Local residents present at the meeting who deploy the car park bollards challenged this, stating that they regularly report situations. The Police officers undertook to liaise further with the residents after the meeting. The parishioners then again asked the Council to relocate the picnic benches sited next to the car park.

The Police Officers were thanked for their attendance and the meeting re-opened.

Members discussed the reported problems and gave consideration to the request to relocate/remove the picnic bench, acknowledging the need to safeguard the residents and to try and help the ongoing difficulties. It was considered prudent to get costs for a private security firm to deploy the barriers, ideally in time for the issue to be given further consideration at the Annual General Meeting on May 24th 2023.

3504 Allotment Update

Members were advised that two tenants have recently been issued with final warnings owing to unkempt and untendered allotment plots. Cllr Fairbairn explained that problem plots are usually under the care of new tenants. He asked that new allotment holders be asked to pay two years rent up front when they take on an allotment and this will not be refundable in the event of notice being served for not progressing to cultivate the plot. Members supported this suggestion.

3505 Variseeder

Consideration was given to the purchase of a SISIS 'over-seeder' for the playing field and bowling green, at an estimated cost of £4898.00. Mr Brown explained that the current method of re-seeding any necessary areas only has a success rate of approximately 40%, outside contractors would no longer be needed to assist undertaking the work, and a good quality machine such as the SISIS model could last thirty years with minimal maintenance costs. This piece of specialist machinery has proved difficult to source for loaning locally and could, if purchased, be loaned out to other organisations to help recover some of the outlay. It was,

RECOMMENDED with eleven votes for and one against that a machine be purchased; alternative prices will be obtained to ensure an optimum deal is achieved.

3506 Coronation Commemorative Items

Discussion was given to purchasing Coronation commemorative items for village Primary School pupils. After some debate members considered that the offer to purchase a large flower planter for each school would be preferable. These would prove longer lasting items for both

planter for each school would be preferable. These would prove longer lasting items for both current and future attendees to enjoy, and the children can get involved learning about planting and tending the flowers.

3507 Request For 'Dogs on Leads' Policy

A written request from a resident was discussed to introduce a 'Dogs on Leads' policy for the playing field due to the unruly behaviour of some dogs and/or poor ownership issues. The field is the only remaining place in the village where dogs can be exercised off leads and the byelaws state that dogs should be under close control when on the field. On balance, members considered that the request could not be supported. Notices will be placed at the entrance gates reminding dog owners of their responsibilities.

3508 Highway Issues

Members were invited to raise any new issues or faults to pass onto relevant authorities:

1. The junction of Masefield Crescent and Warwick Road floods during heavy rainfall.

3509 Correspondence and Information

The following item of information/correspondence has been received and was noted:

1. An e-mail from the District Council advising that any reports or complaints regarding dust from the Tarmac factory on Hawton Lane should be submitted individually by complainants directly to the authority rather than via the Parish Council. There are 'damping down' measures that the company should adhere to, and the District Council requires all complaints to be logged on their system to enable any enforcement action.

3510 Future Agenda Items

The issue of a skatepark will be given further discussion at the next Amenities Committee meeting.

3511 Long Service Award

Mr James Brown was presented with his Long Service Award by the Chairman of the Parish Council Mrs Lydia Hurst, for a remarkable forty years' continuous service for the authority. He was thanked for his hard work and commitment to the Parish Council and he gave a speech of appreciation for the support he has been shown by both Councillors and fellow staff.

3512 Exempt Item

It was resolved that as publicity would be prejudicial to the public interest by reason of the special nature of the information in the business to be transacted, any public and press be excluded from the meeting for the duration of this agenda item. The members of the public and staff except the Clerk, left the meeting. A staffing issue was duly discussed and agreed upon.

The meeting closed at approximately 7.50pm.

Dear Sirs

Following my recent visit I confirm that the Annual Return and various ancillary schedules for the above Parish Council for the year ended 31 March 2023 have now been completed and signed off by myself.

The comment on Petty Cash of 'Not Covered' is because the Council does not operate a Petty Cash system.

The comment on Box K of 'Not Covered' on the Annual Internal Report is due to the Council submitting the AGAR 3 form in 2020/21.

The matters arising are shown on the attached report.

I would like to thank your staff for their assistance during my visits as this achieved a relatively smooth preparation of the financial year end paperwork and enabled me to keep the level of fee the same as the previous year.

Finally I enclose a note of my charges in line with the above comment.
