1. The letting of the centre.
2. Updating the terms of the hire agreement and policies regarding the centre.
3. Management of the site.
4. Making recommendations to the Amenities Committee regarding the medium/long-term development of the premises. Subject to the Amenities Committee being in agreement, the recommendations can be taken to full council so that appropriate financial planning can be put in place. This includes the consideration of more renewable and efficient energy options for the Village Centre such as heating, lighting, cooling and water usage.
5. Quarterly meetings will include an inspection to check the appearance and condition of the premises and their immediate surroundings, ensuring that they are:
 - clean and tidy;
 - in good decorative order;
 - in a good state of repair;
 - secure;
 - free of any obvious and significant health & safety hazards;
 - maintained in accordance with the terms and conditions of the premises licence;
 - used by hirers in accordance with the terms and conditions of hire.
6. The subcommittee's areas and subjects of responsibility have budgetary allocations which are set annually by the amenities committee and subsequently approved by the full council. Any additional proposed expenditure not met by this requires the subcommittee to make recommendations to the amenities committee for consideration. If the amenities committee accept the recommendation, it will be taken to full council for final approval.

Note: Day to day administration/management of the site is conducted by council officers and grounds staff.
